

## **NTC expands 3G services at 80 places in Dhaulagiri Zone**

---

Nepal Telecom has expanded its 3G service to 80 places in Dhaulagiri Zone, an increment from 21 earlier.

Of them, 40 places are in Baglung. Likewise, there are 16 places having access to the service in Myagdi and 10 each in Parbat and Mustang. 2G service is still running in 114 places in the four districts, said senior engineer at Nepal Telecom, Baglung Keshab Sharma. "The service has been provided to meet customer's demand," he said.

Customers can get internet service at relatively high speed through 3G service.
